
Mission & Goals...

The mission of the Habitat ReStore is threefold:

- To support Habitat for Humanity - La Crosse Area through the sale of donated building materials
- To provide quality building materials to the public at low cost
- To reduce and recycle landfill waste

Over time, the ReStore hopes to...

- Increase visibility and improve the public reputation of Habitat for Humanity - La Crosse Area
- Increase recognition and support for the ReStore within the La Crosse Area community
- Achieve a return of 40% - 50% of total sales to the local affiliate
- Maintain and increase a committed volunteer base
- Reach a goal of diverting 100 tons of waste from the landfill annually
