

## Praise for the Habitat ReStore. . .

“On behalf of La Crosse County, we would be proud to provide the ReStore with support and referrals as a part of serving the solid waste disposal needs of La Crosse County. We are excited at the prospect of adding this service to our community to help with conserving landfill space, while benefiting the work of Habitat for Humanity.”

- Steve O'Malley, La Crosse County Administrator

“The ReStore would be a great outlet for items that now end up in the landfill.”

- John Speer, Sales Manager at First Supply La Crosse

“It is with our mission in mind that we are truly looking forward to building a strong collaborative effort with the ReStore Team.”

—Paula Egge, Store Team Leader, Goodwill Industries of North Central Wisconsin.

“I believe that this store can serve as a great resource both for businesses to donate saleable items and for support for Habitat for Humanity. We will continue to assist and contribute to the Habitat ReStore as we are able.”

- Terry Guentner, Contract Manager, La Crosse Glass Co., Inc.

“We fully support the Habitat ReStore for this community and are behind their efforts. It is clear from our perspective that the

ReStore will have a wonderful impact on our community.”

- Sheena E Lorenz, Volunteer Coordinator, R.S.V.P.
