

CONSENT FOR CRIMINAL BACKGROUND CHECK

Habitat for Humanity La Crosse Area values the safety of its partner / home owner families, volunteers and employees, and the well-being of the neighborhoods and communities where it works. The organization requires that sexual offender and criminal background checks be completed for all potential partner families, board members, employees, and key volunteers (e.g. Family Selection, committee members, construction and critical repair volunteers and ReStore Volunteers).

I hereby authorize the release of any personal information requested by Habitat for Humanity - La Crosse Area County to complete a criminal background check. I understand that sexual offender registry checks are made using the National Sex Offender Registry <http://www.nsopr.gov>, which is a public website.

I understand that HFHLCA reserves the right to recheck sexual offender / criminal background check at any time during the course of employment or service.

I also understand that I will be notified in writing if I am denied employment or the opportunity for service based on findings from the criminal background check. I understand that criminal background checks are made using the Wisconsin Circuit Courts Access <http://www.wcca.wicourts.gov>, which is a public website.

An employer may refuse to hire an applicant on the basis of a conviction only if the circumstances of the conviction substantially relate to the particular job. For more information, see Wisconsin Statute 111.335.
