

habitat's reclaim program

Planning a remodel or demolition?

Let us help you save money and time!

Whether you're a contractor or an owner, Habitat's team of skilled and insured staff and volunteers can help remove a variety of unwanted yet reusable items. These tax deductible donations will be sold at our ReStore to fund Habitat La Crosse's mission of providing families with a place to call home.

Call and schedule a walk-thru.

- Our staff schedules a date for our crew to come and reclaim usable materials from your project.
- We carefully remove your cabinets, sinks, appliances, windows, doors and other items.
- We leave your site clean and ready for the next phase of your project.
- You receive a tax deduction receipt for the items you donate.
- We sell your donations in our stores to raise funds for Habitat for Humanity.
- You help Habitat build affordable homes, and you keep usable materials out of the landfill.

why reclaim

the systematic disassembly of materials within a building structure to be reused and resold.

*Volunteers are
the heart
of Habitat for
Humanity.*

“I feel so grateful for the experience of working with Habitat. Our experience with Habitat was great on so many levels. Taking down two houses was a bittersweet task, but with Habitat’s involvement, they helped us by helping others. Knowing the contents of our homes would be put to good use, and not in the landfill made the transition easier to accept. Our family looks forward to working with Habitat for Humanity in the future.”

YOU’RE SAVING MONEY!

A privately contracted kitchen removal usually costs a homeowner at least \$500–\$1000. There is no cost for using our ReClaim Program.

YOU’RE HELPING FAMILIES IN NEED!

Items removed from your project will be resold at our Habitat ReStore and all proceeds directly benefit Habitat’s programs.

YOU’RE SAVING THE ENVIRONMENT!

Use our ReClaim Program to keep useable items out of the landfill. Your items will find new homes where they can be used for many years to come.

OUR TEAM IS EXPERIENCED & FULLY INSURED!

Your project is in good hands. We are fully insured and pride ourselves on the care we take in the removal process. We have built a sterling reputation with homeowners and contractors.

PLEASE NOTE: Before the ReClaim Crew can enter a property, all gas, electrical, water, and asbestos abatement must be completed.
